

Venlo, January 2010

PRESS RELEASE

No joint venture Scheuten Solar and Delta

Scheuten Solar has announced that the proposed joint venture with energy company Delta is cancelled. Scheuten Solar and Delta operate in different areas of the solar energy industry and intended to establish a joint venture to combine those activities. In the last quarter of 2009 it became clear that both companies couldn't come to an agreement.

- END -

Scheuten is a leading and fast growing international high volume manufacturer of total solutions in glass and solar energy systems with its head office in Venlo. Scheuten employs a staff of nearly 1800 and achieved a turnover of 467 million euro in 2008.

Scheuten Solar is a global player in designing, manufacturing and applying photovoltaic solar systems. Since Scheuten Solar was set up in 2000 it has evolved into a fully-grown organization boasting specialists in the fields of solar technology, manufacturing, project development and project realization. By managing every stage of the solar value chain Scheuten Solar guarantees the quality and performance of all products.
