Scheuten sells installation activities Zwijndrecht

Effective 1st January, 2009 Scheuten has sold her last Dutch installation unit Scheuten Glas Montage Zwijndrecht.

Wijnans Glas BV will take over and expand the activities of Scheuten Glas Montage Zwijndrecht.

Earlier this year, Scheuten Glas already sold all installation activities performed by Montage Hoorn. These transactions and last year's sale of the Hazerswoude facility finalise Scheuten's restructuring of the installation activities.

Scheuten's 2008 annual turnover amounted to 467 million euros (360 million in 2007).

- END -

Scheuten is a leading and fast growing international high volume manufacturer of total solutions in glass and solar energy systems with its head office in Venlo. Scheuten employs a staff of nearly 1,600 and achieves a turnover of 467 million euros.

Scheuten continually invests in new developments. New innovative glass products are developed by combining knowledge from all its production facilities. Cooperation with leading universities and research institutes leads to sustainable, functional solutions in the fields of glass and solar technology.
